

Important Notice-Admissions for Academic Year 2020-21

Dear Students, I hope that you are all well and taking care of yourself. You are all aware that the present Covid19 situation has led to numerous challenges and problems. Be assured that the **college is in the process of declaring results, initiating admission process and preparing for online lectures**. No student will suffer academic loss and the college will take a considerate view to support the students in these exceptional circumstances.

In this regard, the **University of Mumbai, has issued guidelines** regarding the issues of exams postponement/cancellation, results declaration and admissions for the current academic year. We are closely following this, and are doing the needful.

Also, our teachers have been instructed to prepare **online/e-learning content** to begin classes soon. This arrangement will help teacher-student interaction until we are able to return to classroom teaching. The schedule and other details for **online/offline sessions** will be shared with all of you after the admissions formalities are completed.

Presently, apart from the government restrictions on movement of staff, the college is also facing technical (software/hardware) issues with regard to processing and declaration of results. However, we assure you that the same will be resolved soon.

Further, the **college will inform all of you about the results and admissions via website (www.abhinavdegreecollege.org)**. Hence, students should **regularly check the website for notices and updates**.

Till then, Look after yourselves and near and dear ones by taking precautions and follow safety guidelines issued by government/municipal authorities.

We hope to see all of you very soon! We shall overcome!

Thank You and Stay Safe

Principal
