“DON'T LIMIT YOURSELF”

~ Prajakta Raut

Q. What are the proven strategies for achieving success as a professional?

Passion, perspiration, and perseverance are key. Love what you do, work hard, and keep striving despite setbacks. My journey in academics began in 2004, and it was challenging. I took the State and National Eligibility Tests multiple times before succeeding in 2006. After facing 13 interviews, I finally found my place at Abhinav College, Bhayander. There's no substitute for hard work; each must fight their own battles.

Q. How did you become a distinguished icon within the teaching community?

I avoided stereotypes and embraced individuality. Initially, my non-traditional attire raised eyebrows, but my confidence won acceptance. During the COVID-19 pandemic, my diverse skills in modeling and pageantry gained recognition. Invites as a resource person and keynote speaker followed, and my unique approach, blending popular culture with academics, resonated widely.

Q. Can you discuss the importance of soft skills, particularly in the context of your career counseling lectures?

Soft skills are crucial. While hard skills get you the interview, soft skills help you secure and excel in the job. Emotional intelligence, positivity, and a democratic mindset are essential. One's image and emotional impact are critical; positivity is contagious, while negativity is detrimental. Highlighting strengths and managing weaknesses effectively can turn challenges into assets.

Q. Could you elaborate on the impact of your Career Katta Unit and its significance in your professional journey?

Career Katta, an initiative by Maharashtra's Department of Higher and Technical Education, aims to guide youth careers through value-added resources. As the Palghar-Urban District Coordinator since June 2021, my efforts in promoting this economical platform have been recognized. The unit's activities, like entrepreneurial workshops and employability courses, have significantly elevated both the college's and my professional profiles.

Q. How have your principal and two best colleagues contributed to your overall professional growth?

Principal Dr. Alvin Menezes has been a constant support, trusting me with innovative projects. Colleagues Prof. Shahbaz Rizvi and Prof. Abhishek Sawant have been invaluable, supporting initiatives like Career Katta and my Ph.D. Their cooperation has been instrumental in my success.
